

Multiplication Roll 'Em

Player one rolls one dice. Multiply by 4. Then Player two rolls one dice. Multiply by 4. The player with the highest product gets a point.

Player 1: _____

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

Player 2: _____

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$

$$\underline{\quad} \times 4 = \underline{\quad}$$
